KILLED IN FLOUR MILL

At Chilton, Casey county, late
last week John W. Cox's clothing was
caught by a line shaft in his flour
mill and his left leg was so mutilated
and his body otherwise bruised that
he died a few hours afterward. The
thigh was broken and the flesh was
stripped from the limb. The suffer-
ing was intense. Physicians were
called but nothing could be done to
save his life. Monday morning his
remains were taken to the Weather-
ford burying grounds followed by a
number of sorrowing relatives and
friends, where they were laid to rest
by the Masonic fraternity of which
he was a member.

LANCASTER.

The faculty of the Lancaster High
School has been completed by the
Board of Trustees, the newly select-
ed out-of-town teachers being Miss
Delcamp, an instructor the past year
in Transylvania University, Lexing-
ton, whose home is in Indiana, and
Miss Walker, of North Carolina. The
former will be connected with the
High School and the latter with the
graded school.

Three marriages occurred among
Lancaster young folks Wednesday,
that being a record breaker here for
June weddings.

Miss Katie Simpson, daughter of
Mr. and Mrs. U. D. Simpson, and Mr.
E. P. Brown, the Lancaster postmas-
ter, were married at 5 o'clock Wed-
nesday morning, leaving for a short
bridal trip to adjacent cities.

Miss Nora Brown, daughter of R.
S. Brown, a former Lancaster mer-
chant, and Mr. James Hilton, of this
city, were married Wednesday fore-
noon at the home of the bride's par-
ents at Paris Crossing, Indiana. The
bride was a graduate last June of
the Lancaster High School, and the
groom is a pharmacist in J. E.
Stormes' drug store.

Miss Bessie Layton, daughter of
Mr. Aleck Layton, a wealthy Gar-
rard farmer, and Mr. Charles Za-
none, of this city, drove to Dan-
ville, where they were married Wed-
nesday afternoon, at 4 o'clock. El-
der H. C. Garrison, the Christian
minister performing the ceremony.
The couple left for an eastern bridal
trip.

Mr. Shirley Hudson was host at a
handsome dinner party given at the
home of his parents, Mr. and Mrs.
B. F. Hudson in the west suburb.
Plates were placed for eight couples,
the honorees of the happy occasion
being his attractive young cousins,
Misses Annie Mae and Ellen Walker,
of Richmond.

Mr. and Mrs. W. I. Williams,
daughter, Miss Mary Clay, and sons,
Woodruff and Bradford, of Tulsa,
Ok., are here for a visit at their
former home. They came to this city
from Lexington where they attended
the Hamilton College Commence-
ment and saw their talented young
daughter receive her diploma from
that famous institution, and very
creditably acquit herself in deliver-
ing an address as President of the
Senior class.

EIGHTH DISTRICT POLITICS

ALL ABOARD FOR THE NOVEM- BER ELECTION.

President Wilson will be re-elected
for the splendid legislative achieve-
ments accomplished during his ad-
ministration. By the same token, the
Democrats who have been his co-
laborers and fellow-workers in his
legislative program merit the en-
dorsement of the people. The entire
country is a profoundly grateful to
the President and the Democratic
Congress who have kept our country
at peace when the rest of the world
is at war. The prosperity of the peo-
ple is unquestioned. If the Republi-
cans and Bull Moose parties can af-
ford to compose their differences as
they did at Chicago, surely the demo-
crats of this district can learn a time-
ly and useful lesson from that exam-
ple. The last State election showed
a very narrow margin for the Demo-
crats. This majority can not be in-
creased by contests waged on vote-
losing issues and the reopening of
old sores resulting from the distribu-
tion of patronage. At this crucial
time, the people demand the guaran-
tee of a record of things done. They
know that the salary is a fixed
charge regardless of who is nomina-
ted and they further know that who
ever is nominated in the Congress-
ional contest will want to hold the
office as long as his services are sat-
isfactory to the people. With the
questions of such moment and mag-
nitude up for settlement, it is obvious
that those who have had experience
and been in touch with the conditions
are better equipped to meet the de-
mands of the times than those who
have not had such experience. As the
President has the foreign and domes-
tic situation at his finger's ends and
is familiar with the entire situation,
so in a less degree, the Congressmen
who have been on the job, are better
equipped than any new man. In or-
der that Kentucky may be found in
the Wilson column, contests which
only aid Republicans should be stop-
ped and we suggest that the friends
of the opposing candidates for Con-
gress in this district take such steps
as will contribute to harmony by ad-
justing their differences and thereby
insuring Kentucky's electoral vote
for President Wilson.

JUST IN TIME

Some Stanford People May Wait Till
It's Too Late.

Don't wait until too late.

Be sure to be in time.

Just in time with kidney ills

Means curing the backache, the
dizziness, the urinary disorders

That so often come with kidney
troubles.

Doan's Kidney Pills are for this
very purpose.

Here is testimony to prove their
merit.

T. D. Martin, painter, Rowland,
Ky., says: "I had more or less kid-
ney trouble and my back ached so
much at times that I could hardly
straighten after stooping. I became
weak and had dizzy spells. I was
also very languid and at times I was
troubled greatly with having to arise
many times at night to pass the kid-
ney secretions. The secretions were
cloudy and often very painful.
Doan's Kidney Pills were the only
thing that gave me relief and I
highly recommend them as a kidney
medicine."

Price 50c, at all dealers. Don't
simply ask for a kidney remedy—get
